

PLEDGES TO THE CANE RIDGE CHURCH FUND

J. Will Thomas, treasurer of the Cane Ridge Restoration Fund, is in receipt of a letter from Mrs. E. T. Lethfield, Secretary of the Woman's Missionary Society of the Christian church, at Flanagan, Illinois, enclosing a check for a substantial sum, and voicing a sentiment of love and reverence for the old church and its surroundings.

The fund being raised for the purpose continues to grow slowly, and there is still room in the treasury to accommodate a large number of subscriptions. The restoration of the historic old church and its adjoining grounds is a project that should appeal instantly to all. It is hoped the fund may soon be raised, so the work of improvement and restoration may be undertaken.

"LEGISLATOR-AT-LARGE"

Mrs. Lavinia Estill Chenault Cunningham, of Paris, who endeavored unsuccessfully last week to have a bill introduced in the Kentucky Legislature "appointing a State Attorney to represent widows and orphans," has announced her intention of making the race for "Representative from the State-at-large" in the next Legislature. She declares she is confident of getting the vote of every woman in the State.

REVIVAL AT THE METHODIST CHURCH, SUNDAY, FEB. 12.

The Methodist Church revival will begin Sunday, February 12. Dr. C. C. Jarrell, of Augusta, Ga., will do the preaching and Mr. C. P. Gossett, of Wilmore, Kentucky, will lead the singing. Dr. Jarrell will not be present Sunday, but will arrive in time to preach Monday evening at 7:30 o'clock. Mr. Gossett will arrive in time for the Sunday services, coming from Deer Lodge, Montana, where he has been in a revival meeting.

The pulpit Sunday will be occupied by the regular pastor, Rev. C. H. Greer. At the morning hour, 10:45 o'clock, Mr. Greer's subject will be: "Does Paris Need a Revival?" and at 7:00 p. m., "Can Paris Have a Revival? If So, How?" Every member of the congregation should be present and hear these opening sermons. The other Sunday services

DR. C. C. JARRELL

will be held as usual: Sunday school at 9:30 a. m. and Epworth League at 6:15 p. m.

It has been five years since the Methodist church has conducted a revival with outside help, and in the coming of these evangelists a great meeting is expected. Dr. Jarrell is a most forceful speaker and one of the South's most successful pastor-evangelists. Mr. Gossett is one of the leading song leaders in the Southern Methodist church, being one of the twenty-three approved evangelistic singers.

The church extends a cordial welcome to all to attend these meetings and benefit by the inspiring messages which will be delivered from time to time.

The safest way to take a mad bull by the horns is to kill him first.

MR. GOLDSTEIN DELIVERS AN INTERESTING LECTURE

David Goldstein, of Philadelphia, delivered an instructive and interesting lecture at the court house in this city, Wednesday night, on the subject, "History In The Making," to a large and appreciative audience. The lecture was free, and no collection or subscription of any kind was taken up. Mr. Goldstein's lecture was part of the nation-wide campaign of education on historical, sociological and cultural subjects being conducted by the Knights of Columbus, as Americanization work of a true American character.

Mr. Goldstein became a convert to the Catholic faith, in May, 1905. His former connection with the radical movements in America gave him an inside view of the forces that are menacing American institutions and Christian civilization, such as Bolshevism and Socialism. His years of association with the labor movement, that is, the conservative trades union movement, has given him an understanding of the hopes and ambitions of the struggling and toiling masses, and that theme is the foundation of his interpretation of the economic and social issues that face the nation. His fearless, uncompromising and fair attitude in defense of Christian principles against the assaults of opponents has won for him a high standing in the nation, and thousands of warm friends of all classes throughout America and Canada.

BASKET BALL NOTES

Friday night, February 17, the basket ball teams of the Paris High School will again invade foreign soil. They will go to Lexington to play the strong Model Hi team of that city. The Paris five are confident they will bring home the bacon and not the small end of a score that the Lexingtonians would like to hand them. The Paris boys have an old score to settle with Model Hi for the defeat handed Paris during the foot ball season of 1921. Tucker, the best player of Paris, has a novel scheme to work. He figures that Model Hi will have to have two men to watch him, and then the extra Paris man is to run up the score.

The standing of the three teams of the High School at present is as follows.

Girls Team—Played nine games, six at home, and three away from home, won seven and lost two; Boys Team—Played twelve games, six at home, six away from home; won three and lost nine.

Second Team—Girls—Played two games, one at home, and one away; won one and lost one; Boys—Played two games, one at home, and one away; lost one and won one.

Midget Team—Played three games, all at home, won three, lost none.

Absolute merit and merit alone is responsible for Tanlac's phenomenal and unprecedented success. Roche's Drug Store.
